Report on Online Seminar on Understanding Intellectual Property Rights

Online seminar on the topic “Understanding Intellectual Property Rights” was organised by our institution Sancheti College of Art’s, Commerce and Science on 23rd March, 2021 at 12:00 pm.

The resource person Mr. Abhra Pratip Ray provided a valuable platform for participants to deepen their knowledge and understanding of intellectual property laws and practices. The seminar contributed to building capacity and raising awareness about the importance of intellectual assets. Moving forward, continued efforts in education, training and advocacy will be essential to promote a culture of respect for intellectual property rights and foster a conducive environment for innovation and creativity.

The workshop conducted with Q&A session where participants had the opportunity to seek clarification on queries and discuss potential implications. Prof. Rohini Morde Madam conveyed vote of thanks to the resource person, principal, staff of the college and students for active participation in large numbers. Around 25 students participated in this event.

Workshop on "Basic Skills for Entrepreneurship Development"

A workshop on "Basic Skills for Entrepreneurship Development" was organized by Sancheti College of Art's, Commerce and Science Thergaon for the students of class BBA and BBA (CA) on 18th February, 2022. The lecture was conducted by Mr. Abhra Pratip Ray.

The speaker explained Entrepreneurship Development is the process of improving the skills knowledge of entrepreneurs through various training classroom programs. The whole point of entrepreneurship development is to increase the number of entrepreneurs. By doing this, the pace at which new business or ventures are made get better. On a wider level, this makes room for employment and improves the economy of a business or country.

He provides valuable knowledge, skills, and networking opportunities to all participants, empowering them to embark on their entrepreneurial journey with confidence. The speaker also explain good characteristic of entrepreneur such as ability, clear objective, communication ability, technical knowledge etc.

We extend our sincere appreciation to the speakers, participants, and organisation for their contribution to the success of the workshop. New look forward to continue our support for aspiring entrepreneurs and fostering a culture innovation and entrepreneurship is our community. Total 26 students present this workshop.

Workshop on Tally

Sancheti College of Art's, Commerce and Science, Thergaon organized a Workshop on Tally for the students of class BBA. The primary objective of lecture was to understand the concepts of Tally. Workshop was conducted by Dr. Shraddha Rathi the speaker explained about Tally ERP 9 software programme that is extensively used by small, medium and big business for accounting purposes. She also helped the students in gaining practical knowledge of how to use the Tally. It was an interactive session where the speaker provided information to the students about the actual working environment in real industry. The students got insights about work done in the industries using Tally. She also sorted the queries of the students related to Tally.

The programme ended by expressing gratitude toward the speaker. The seminar received huge appreciation from the students and staff. Total 25 students present in this workshop. Thanks to management & principal for giving this opportunity.
