Report

Venue: Ghoradeshwar Temple area.

Time: 9am to 11am.

The once beautiful and green mountain is getting deserted now and hence the Sancheti College of Arts, Commerce and Science carried out a tree plantation program on the Ghoradeshwar mountain (Dehuroad) making an attempt to get its glory back.

Nature is losing balance due to pollution and to curb it, students recently conducted a tree plantation drive at Ghoradeshwar temple area. Volunteers planted over 50 plants.

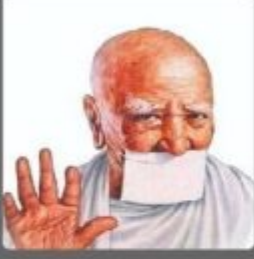

The idea behind the drive was to maintain balance to maintain biodiversity. Under this program, these students will continue to plant trees and will also care for them.

Without any hesitation every one picked up all type of garbage lying in temple premises and put their great efforts for making this Tree Plantation Drive successful.
